

# HAGOTEX®

## Lift tapes

for high-quality Venetian blinds and soft shade constructions for interior use:  
The convincing alternative to pull cords.

**HAGOTEX®-LIFT TAPES** ensure problem-free operation of your interior blinds.

### YOUR ADVANTAGES

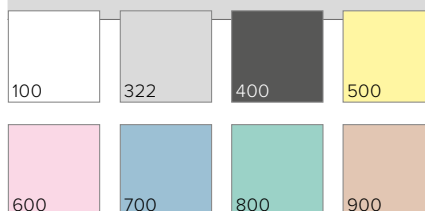

- reliable tape run
- optimal use of the spool capacity
- no inclined position
- dimensionally accurate
- high tensile strength with low thickness
- lowest elongation
- abrasion resistance (through special finishing process)
- long service life

### Design and specifications

Tape width	Tape thickness	Finishing
4,0 mm	0.18 mm	Special finish
5,0 mm	0.18 mm	Special finish
5,4 mm	0.18 mm	Special finish
5,8 mm	0.18 mm	Special finish
6,0 mm	0.18 mm	Special finish
5,0 mm	0.18 mm	DURACOAT coating
5,8 mm	0.18 mm	DURACOAT coating
2,5 mm	0.14 mm	DURACOAT coating
4,0 mm	0.14 mm	DURACOAT coating
5,0 mm	0.14 mm	DURACOAT coating
5,8 mm	0.14 mm	DURACOAT coating

#### Colours

#### Duracoat coating:

higher abrasion resistance and better protection against UV radiation.

**The right choice for all areas of modern light and room design, whether horizontal blinds, Roman blinds or pleated curtains.**
